Online safety @

The Parkside School

A great way to share photos and stay in touch with friends and relatives.

Be careful about who you accept as a friend. It can be confusing when strangers make friend requests.

Easy and fun to use!

It can be dangerous. Social media is one of the most common places for children to be bullied.

Did you know?

You can't permanently delete your profile or posts you have made

You can go back and un-tag yourself from photos or change who is able to see posts and photos.

How can parents and carers help keep kids safe?

- Talk to your children about their Facebook friends.
- Look at their profile and timeline with them.
- Change Privacy Settings so only friends can contact them and view their profile.

For more info on Facebook and other e safety issues visit the **online safety** page on the school website.
