February **4** March **3 & 31** May **5** June **2** July **7**

## Let us come to you...

We realise that for many of you living in the Yarmouth, Gorleston and Lowestoft areas, it can be difficult to get along to parent/carer events in Norwich for a number of reasons.

After listening to feedback from our families, we are pleased to be offering a monthly get together, a 'Chance to Chat... in Great Yarmouth', where families can meet other parents and carers living in the area, find a listening ear, some general group support or simply some company in a relaxed and friendly drop-in, with people who have shared experiences of life with a child with SEND.

If you feel unsure of where to go on your first visit to the venue, please email [emma.blake@parksidemail.co.uk](mailto:emma.blake@parksidemail.co.uk) and I can arrange to meet you upon arrival.

Please note this monthly session is open to ALL parents, carers and grandparents
