

School

is

Different

I

am

at

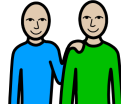

school.

Lots of

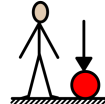

my

friends

are

staying at

home.

It is

important

that

I

come to

school.

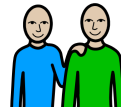

It is

important

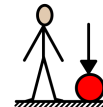

that

my

friends

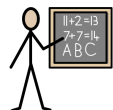

stay at

home.

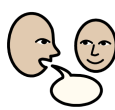

My

teachers

will

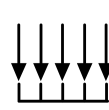

tell

me

when

all of

my

friends will

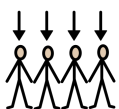

come back

to

school.

Everyone

is working

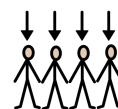

together

to

keep

everyone

safe.
